

Douglas Baby 2010

Introduction

Douglas Designers have been at work creating new, fresh “looks” and “feels” in baby products! All the new designs are utterly soft and bursting with pure, fresh color. You’ll find coordinating items to create bouquets of irresistible character and style.

TOY SAFETY continues to be a top priority at Douglas. Our toys meet or exceed the voluntary ASTM standards, as well as Federal standards in the CPSIA. Please see our website or call us if you need any further information regarding toy safety.
